Palomino Reclaimed Wood Cabinet

CHB1199

From the Montecito Collection

Our Montecito Palomino Cabinet is simple, clean cut, and finished with a rich patina that relishes and celebrates the character and charisma of reclaimed wood. Hand crafted from rustic reclaimed elmwood salvaged from old farmhouse doors, the marks of distress and imperfections in the wood bear a unique time-worn story that will age gracefully for generations to come. With a handsome design and generous storage space, this piece is stately fashioned, fitting seamlessly into any space in your home.
