

Cliffhouse Two Drawer Reclaimed Wood Media Console CHB1598

From the Newport Collection

Mixing simple and sleek reclaimed wood with the strength and modernity of it's iron standing, our Newport Cliffhouse Two Drawer Media Console is carefully handcrafted from reclaimed elmwood found on the roof top of the world. With heaps of storage space in it's drawers and a smooth finish, this piece has been designed to seamlessly fit into any space in your home, while still preserving the timeworn character and an indistinguishable heritage found in the marks of distress from it's past life.
