Balboa Island Reclaimed Wood Bookshelf

CHB1602

From the Newport Collection

Mixing simple and sleek reclaimed wood with the strength and modernity of it's iron standing, our Newport Balboa Island Bookshelf is carefully handcrafted from reclaimed elmwood found on the roof top of the world. This piece has been smoothed down to seamlessly fit into any space in your home, while still preserving the timeworn character and an indistinguishable heritage found in the marks of distress from it's past life.
