## South Inlet Reclaimed Wood Dining Table

CHB1754

### From the Boca Collection

Mixing modern design with the knots and natural imperfections of timeworn wood, our Boca South Inlet Dining Table is carefully handcrafted from reclaimed pinewood found in the most remote villages of western China. The contrast in finish of the legs and tabletop add a mark of diversity and character that reflect upon it's own stories of time past. Timeworn character and elegant charm, this piece is the ideal gathering place for mouthwatering family meals and great company.
